

Title: TXT ME? A Dead End

Sarah Paulus - Final

1

Clip: Dead end full - This clip will show the sign and nothing else

AUDIO A silent scene, this one will have perhaps some bird noises but it will be long and eerily silent.

EFFECTS

Fade into the scene and fade out of the scene.

Start: 00:00:09

End: 00:00:13

Clip Total: 00:00:05

Movie Total: 00:00:05

Title: TXT ME? A Dead End

Sarah Paulus - Final

2

Clip: Time Lapse Park Full – Focus on bike rider at end, slower speed . This is a very short clip.

AUDIO start of music, peaceful and sweet. Bike bell rings, this and the music will indicate the bike.

EFFECTS This clip is raw cut without much transition due to its very short nature.

Start: 00:00:12

End: 00:00:13

Clip Total:00:00:01

Movie Total: 00:00:06

Title: TXT ME? A Dead End

Sarah Paulus - Final

3

Clip: Sun in the trees full – nice length of this showing clip of the most linear motion, sound of a bike bell

AUDIO Happy music, with bike bell and nature sounds

EFFECTS Fade in as music rises, Fade in is soft. The cut out is rough and jarring.

Start: 00:00:00

End: 00:00:10

Clip Total: 00:00:10

Movie Total: 00:00:16

Title: TXT ME? A Dead End

4

Clip: **Avanti Full** - this clip will be broken in two sections. sec A

AUDIO The shift in music is sharp and abrupt, the Avanti blaring rough music and sounds of a car engine revs beyond a comfortable drive into aggressive driving. Hear a phone...

EFFECTS The change is aggressive but the fade out will be soft to the nature scene. The rough music dies down with the fade

Start: 00:00:00

End: 00:00:05

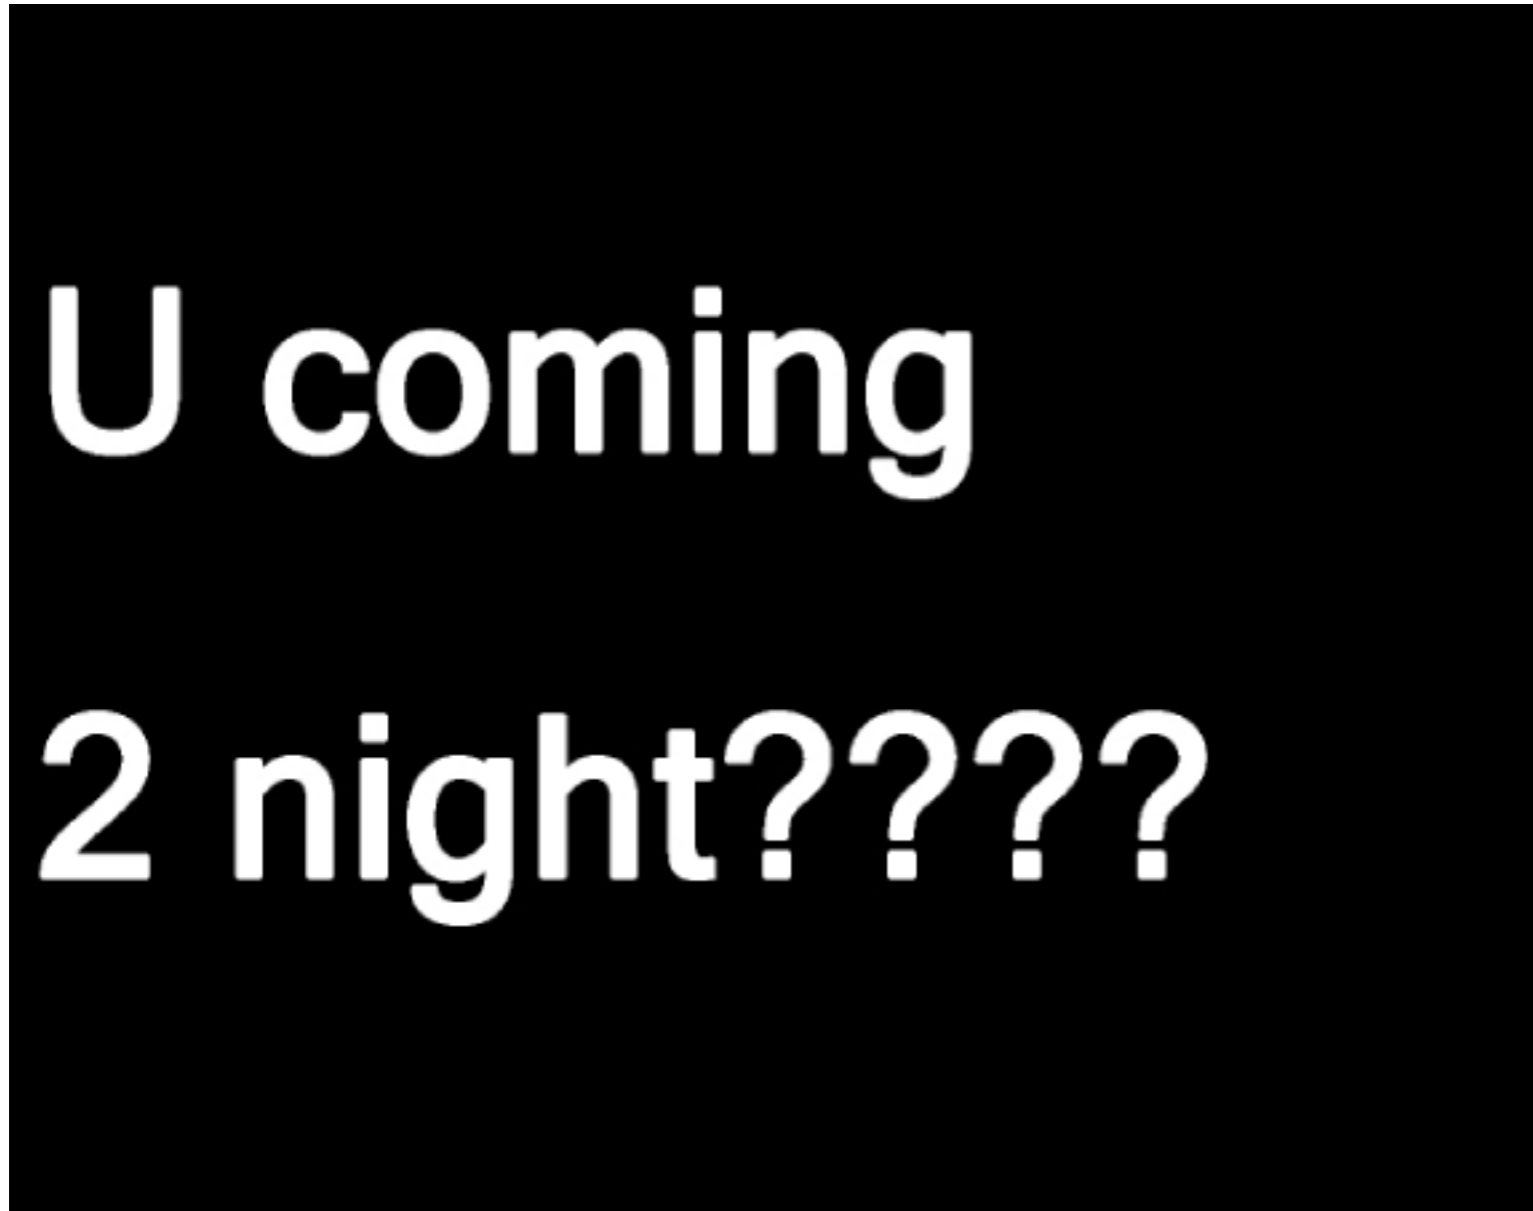

Clip Total: 00:00:05

Movie Total: 00:00:21

Clip: Text Divider U
coming to night

AUDIO Car is still heard but muffled,
sound of tapping keys.. all sound
fades out with text.

EFFECTS Will fade to the butterfly, but first the text
appears as if typed up there.

Start:00:00:00

End:00:00:05

Ya what ti?

Ya!!!

AUDIO Car is still heard but muffled,
sound of tapping keys.. car gets
louder as scene goes on there is
the screech of tires.

What Ti

EFFECTS Harsh switches here to show rough driving
no fade transition

Start:00:00:00

End:00:00:05

9

Clip: Riding Alongside –

AUDIO anxious, sounds of screeching tires, the music the same for all car scenes

EFFECTS Cuts are fast and fade to the transistions.

Start:00:00:10

End:00:00:17

Clip Total: 00:00:07

Movie Total: 00:00:52

Title: TXT ME? A Dead End

Sarah Paulus - Final

10

Clip: Lapse Park Full -

AUDIO sound of a bike –peaceful music, as this short scene fades in and out there is an over sound of a car and at the end screeching tires, in the blackout

EFFECTS Scene fades in and than scene fades out

Start:00:00:12

End: 00:00:13

Clip Total: 00:00:01

Movie Total: 00:00:53

11

Clip: Emissions Full

AUDIO Fading in are the Emissions full, (my ideal scene not sure on sound) the car is idling... You hear a car door open and a creaking noise as the chase lifts slightly in the scene.

EFFECTS Fade in and Fade out is slow allowing for sound

Start: 00:00:03

End: 00:00:13

Clip Total: 00:00:10

Movie Total: 00:00:63

LOL

13

Clip: Wheel in the Sky

AUDIO you still hear the car idling in the background. You hear the cars radio, nervous crowd murmurs, scene comes into full view, the sounds fade to silence, than there is nothing but the silence and the wheel spinning,

EFFECTS

Scene fades in goes for a long time uncomfortable same as beginnning scene. ..scene fades out.

Start: 00:00:00

End: 00:00:10

Clip Total: 00:00:10

Movie Total: 00:00:78

“...911 What is your
Emergency?”

Clip: Text Divider
-911

AUDIO Voice Over says
“..911 What is your Emergency?”
womans voice and calm,
professional.

EFFECTS This is the distrubing closing of the events,
It fades into the black scene and than it
just holds here.

End

Start:00:00:00

End:00:00:05
